

Runcorn Heights State School

DRESS CODE

The Runcorn Heights State School Parents and Citizens Association (P&C) has decided that Runcorn Heights State School is a “uniform school” and uniforms should be worn. We seek your cooperation in maintaining this standard of dress. The wearing of school uniform is an important factor in developing a healthy school tone and pride in oneself as well as in the school. This provides:

- ready identification of students and non-students at school;
- eliminates distraction of competition in dress and fashion at school;
- fosters a sense of belonging;
- develops mutual respect among students through minimising visible evidence of economic or social differences;
- promotes the school’s Sun Smart Policy;
- encourages equity among students;
- develops pride and team spirit in students; and
- enhances the public image and status of the school.

Please note that breaches of the school dress code may incur a consequence in line with our Responsible Behaviour Management Plan. Students who persistently or deliberately do not wear the school uniform will be given an appropriate item/s from a bank of clothing/uniforms held at school to change into.
