- **The first game will commence at 9:30am and the final game will end at 2:20pm.**
- Players should **play in right age division and only for ONE team throughout the day.**
- 20 minute game timeslots with no half time allocated. Right of reply rule will apply at the commencement of the game. You may negotiate with your opposition if you feel the students need a rest or drink. Hopefully all teams have subs so this will not be necessary.
- Referees will be timing the games as set out on the draw so **teams must be prepared to commence play at scheduled times.**
- Teams will play between 3-4 games per day.
- No Finals will take place again this year.
- Winners will be determined by the team with the most points after all rounds. See **Conditions of each Division** for extra information about the number of rounds.
- Points will be given per game, 2 for a win, 1 for a draw, 0 for a loss.
- Verbal abuse or foul language is not permitted at any time. Foul language towards other players, teachers, referees, or spectators may result in a ban from further Gala Days.
- **Runcorn High School students will be helping referee games where possible. Teachers must referee in the instance of Runcorn students not being available.**
- Referees will be recording scores (**teachers are encouraged to keep scores also, in case of disputes**)
- Results will be collected at the end of each day.
- Points updates will be emailed out. No display of results will occur.
- Toilet facilities are available at Mathematics Block and Hall (please see map).
- Water is available for students from drinking tap situated at maths block. Students should be encouraged to bring their own water bottle or two, to last the whole day.
- The canteen will be open from around 10am until 2pm. The ladies are happy for the students to go up whenever but **NOT during their breaks which are 11:15am to 12pm and 1:10pm to 1:40pm.** Students are to **have adult supervision** with them when attending the canteen.
- **Coaches/teachers are the key to a successful application of the rules.**

In case of emergency please move to the field closest to the hall (Fields 5 and 6).

If you have any problems or queries, please do not hesitate to call.

Sarah Currie (Warrigal Road State School) 0434 725 715 or 3340 5333.

Fields will be set up for each division: **Field 1&2** - Senior A & B Girls, and Junior A Boys. **Field 3 & 4** – Junior B Boys, Junior Girls and Senior B Girls. **Field 5&6** – Senior A & B Boys. **Please check the draw carefully, in particular the Senior B Girls who are across several fields.**

### Right of Reply Rule:

Games will be 20 minutes straight with no half time. Each team gets a halfway tap at the beginning of the game (right of reply). If you win the toss you have the choice of the direction; the choice of Interchange Area and the choice of which team will commence the match in Possession. A team in possession in its first set of 6 touches will give up its remaining touches if it loses possession for any reason covered by the normal rules of the game, e.g. penalty, dropped ball etc. When this occurs, the opposite team will then bring the ball back to the halfway line to have an opportunity to tap the ball off. Once both teams have had possession, the game will continue where the ball is.
