Girls Blast

Yr 5 Boys Blast

* Teacher to Umpire/Score

Yr 6 Boys Blast

Summary of Master Blasters Rules

- 8 overs should be bowled in as close to 25 mins as possible
- Total game time is approximately 50 mins – 16 overs per game
- Pitch length – 15 -18 m
- Boundaries – approx. 35 m
- Each team has 10 mins between games to move to the next field in preparation for the next game. There is a 30 min lunch break.
- Protective equipment is not mandatory. The wicket keeper shouldn't field closer than 2m back from the stumps
- Fielders must not be closer than 10m from the batter. There must be at least 3 fielders on each side of the wicket for all deliveries.
- The BATTING pair bat for two overs, regardless of whether or not they get 'out'. If they get 'out', 5 bonus runs are added to the opposing team's score. The next batting pair must be ready to bat immediately following the previous pair's innings.
- Batters can be given out in the following ways: bowled, caught, run out, stumped and hit wicket. No LBW.
- Batters swap ends at the end of each over and after a wicket. If the batter fails to hit consecutive balls in one over, they can hit off the tee after the second delivery and must run. This allows both batters an opportunity to score runs. If the bowler bowls a wide or no ball, the batter is also allowed a hit off the tee.
- DOUBLE ZONE – If a ball is hit into the double zone (the area behind the bowlers end stumps) all runs are doubled.
- Eight players must BOWL and keep wicket for one over each (there is no designated wicket keeper). Wides and no-balls are not re-bowled. At the end of each over, the team rotates one position clockwise. Eg. Bowler → Mid Off → Cover → Point → Wicket Keeper → Long Stop → Square Leg → Mid Wicket → Mid On
- Bowlers are limited to a short run up (max. 10m) and must all bowl from the same end.
- Any extra players may come on to the field, as part of the rotation, but only 8 fielders may be on the field at any one time.
- **Umpiring/Scoring** – On the draw, the school with the asterisk is responsible for overall supervision and scoring. Qld cricket development officers will be there to give you a hand. The games that are highlighted in yellow, will be exclusively run by development officers, as team coaches may be with their other team.
- **PLEASE HAND IN YOUR SCORE SHEETS AFTER EACH GAME (NEXT TO CANTEEN).**
