

Runcorn Heights State School

30 November 2020

Dear Parent/Caregivers

2021 Student Resource Scheme

In 2021, students in all year levels from Prep – 6 will be able to participate in the Student Resource Scheme which means RHSS will purchase all stationery items including Maths Mentals workbooks, Literacy Planet and Mathletics user applications for students if you buy into the scheme.

The cost of the 2021 SRS is \$140 per student in Years 1 – 6 and \$125 per 2021 Prep student.

Please find attached the Student Resource Scheme (SRS) documents for 2021:-

- SRS Fee Payment Arrangement Form (**Please sign and return the form to the office by Friday 4 December only if you are choosing to pay in instalments.** All families who previously opted in will be invoiced. No need to return forms.)
- Participation Agreement Form for **students not currently** in the SRS (**Please sign and return to the office by Friday 4 December**)
- Booklist (Only necessary for families who do not wish to participate in the SRS. These parents will purchase the resources for their own children.)
- Annual Information Letter

Please contact the office for paperwork if you previously opted in and now wish to opt out of the Student Resource Scheme. If you choose this option, you will need to purchase all the resources and the Literacy Planet and Mathletics user applications listed on the booklist.

An invoice will be issued and emailed to families in the scheme in January. Once you receive the invoice, please pay via BPoint or QParents.

Please contact the office if you have any questions.

Kind regards

Janine Leach
Principal
