**Year 6 Leadership Positions**

In 2016 the process and selection of school captains took place and four school captains were chosen. We are now calling for nominees for the remaining leadership positions. All leadership positions will now be recognised as captains, rather than captains and vice captains. There will be one application form for all positions with a section to indicate what position the student is applying for. Students can nominate for more than one position, however, they need to indicate their preference. Only the house captains will be voted in by their peers, nominees will need to give a small speech in front of Years 4, 5 & 6 students from their house. Selection will then be made by the staff taking into account their application, past school experiences and votes. All other positions will be selected on application and past school experiences.
