From the Principal

School overview

Runcorn Heights State School was established in 1975 and is an Independent Public School. It has shown a steady growth in enrolment numbers since its establishment and as it is a primary school caters for students from Prep to Year 6. It is situated on 5.591 hectares in the suburban area of Runcorn. The school campus includes six permanent teaching blocks, a double prep school unit, two modular teaching blocks, a resource centre, administration block, multipurpose court, three ovals and a hall. A new building project, inclusive of 2 new car parks and a multi-storey building with 6 new classrooms and an undercroft available to house future teaching spaces, is underway and is expected to be completed for the start of 2021. Our school features English as a Second Language programs which cater for newly immigrated students with limited English skills and a pre-kindy KindyLinQ and playgroup to support the transition of children from K-2. Our staff consistently engage in professional development in teaching, learning, assessment and reporting e.g. mathematics, reading, information communication technologies and general curriculum knowledge, which continues to support the school's success. The school also offers a number of programs including music, sport, school camps, international school visits and Japanese language studies. A range of interest clubs including chess, dance, choir, mindfulness and basketball have been introduced to support the children's needs and these have been well supported by the students. Our school motto "Aim High" is certainly demonstrated by our students and those who have passed through our school. Our students are encouraged to do their absolute best and we value everyone's efforts. These successes have not occurred through the efforts of one individual, but through the enthusiastic efforts of students, staff and community members working together to provide many wonderful opportunities for the students at Runcorn Heights State School.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Responsible Behaviour Plan for Learning policy is currently our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website. This behaviour policy will be replaced by a student Code of Conduct policy in December, 2020 and will be posted on our website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

School disciplinary absences

Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	159,851	169,701	174,107
Water (kL)	6,846	4,875	1,527

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.
