

Runcorn Heights State School – INTERNET ACCESS AGREEMENT 2024

To the student/Parent/Guardian,

In accordance with Department of Education Queensland Policy, students are requested to complete an **Internet Access Agreement** as shown below, if they wish to use the Internet at school. This consent continues until the student leaves Runcorn Heights State School.

Please read through and explain the agreement to your child and sign in the appropriate places.

I understand that the Internet can connect me to useful information stored on computers around the world.

While I have access to the internet:

- I will use it only for educational purposes
- I will not look for, nor send anything that is illegal, dangerous or offensive,
- I will not reveal home addresses or telephone numbers – mine or anyone else's
- I will not use the internet to annoy or offend anyone else
- I will:
 - a) Immediately and quietly, inform my teacher of any offensive pictures or information from my screen and clear it when requested.

I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time and/or the option to bring my personal iPad to school.

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information from around the world and understand that a very small part of Internet information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care and that information is filtered through Department of Education Managed Internet Services, protection against exposure or harmful information should depend finally upon the responsible use by students.

I believe _____ (name of student) understands this responsibility and I hereby give my permission for my child to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of school Internet access privileges, school mobile devices and the option to bring a personal iPad to school.
